Dear Exhibitor:

**CSR Marine** has been selected as the **2018 Seattle Boat Show** move-in/out coordinator. Freight shipments and general material handling services will again be handled by GES Exposition Services.

**All exhibitors displaying boats are asked to contact Brian Ooi at CSR Marine with their display layout and the information below by December 08, 2017:**

1. Display layout
2. Length, width, and weight of each boat
3. Number of stands and blocks, if necessary
4. Any special lifting or blocking requirements.

Brian can be reached via email at [brianooi@nmta.net](mailto:brianooi@nmta.net) or by phone at **206-618-7532**

**Small Boat Handling (14 feet - approx. 24 feet):**

- Small forklifts and one 35,000 lb forklift will be available to handle small boats and trailers up to 10' wide.
- **Small boats offloaded/loaded by forklifts will be @ \$115.00 per hr, 1 hr minimum**

**Larger Boat Handling (24 - 55 feet):**

- All larger boats will be handled by a 35 ton travelift, with a 15' maximum beam.
- **Larger boats handled by the travelift or with Hyster 360 will be offloaded/loaded at a rate of \$7.00 per foot.**
- **All travelift and Hyster 360 operations will have 1 or more ground guys and to be billed @ \$115.00 hr, 1 Hr Minimum**

**Other Equipment Handling:**

- A 10,000 lb. boom truck and forklifts will also be available to handle any other equipment loading. **Boom truck operations to be billed at \$115.00 per hour, 1 hr min. All boom truck operations will have 1 or more ground guys and to be billed @ \$115.00 hr, 1 Hr Minimum**
- **All other equipment handling and general labor will be billed in ½ hour increments at \$115.00/hour, 1 hour minimum.**
- **Boat stands will be available to rent for \$75.00 each, and blocks will be available for \$20.00 each.**
