

Within the Exhibitor Dashboard, there are nine (9) places where you can UPLOAD Photos. Below is a cheat sheet of the desired sizes of photos to be able to optimize the look of your Exhibitor and Product Detail pages.

Column 2 is the desired **WIDTH** in pixels

Column 3 is the desired **HEIGHT** in pixels

Column 4 is the “dpi” (**Dots Per Inch**) specification

Column 5 is the allowable **File Formats** (.jpg .jpeg .png .gif)

Exhibitor Dashboard Photo Specifications
