

Basta Boatlifts Unveils the Sailboat Lift: A Premium Solution for Safe, Efficient Sailboat Storage

SEATAC, WA – January 6, 2025 –

Introducing the Sailboat Lift

Basta Boatlifts is proud to unveil its latest innovation—the [Sailboat Lift](#), a premium bunk package designed to seamlessly upgrade Basta Galvanized Steel boat lifts and make storing your sailboat easier and safer than ever before.

This unique product features our patented Keel Catch Technology, which distributes **75% of the vessel weight to the keel**, ensuring optimal stability and protection for your vessel.

Whether you're a seasoned sailor or a new boat owner, the Sailboat Lift is the ultimate solution to preserve your sailboat by storing it as the manufacturer intended.

Key Benefits of the Sailboat Lift:

- **Keel Catch Technology:** Distributes 75% of the vessel weight to the keel, providing exceptional balance and stability.
- **Easy Upgrade:** Transform a Basta Galvanized Steel Lift into a sailboat-specific storage system without the need for a full replacement.
- **Hull-Conforming Bunks:** Designed to fit the contours of your sailboat's hull, ensuring a snug and safe fit.
- **Keep Your Hull Clean:** Prevents debris buildup, reducing the need for regular hull cleaning.

- **Keel Guides:** Ensure effortless loading and launching, providing a smooth experience every time.
- **Protection Against Wind and Wave Damage:** Helps safeguard your sailboat from the damaging effects of the elements, ensuring long-term durability.

The Sailboat Lift is a game-changer for sailboat owners looking to protect their investments. “The lift turned out GREAT! It’s super solid,” said Basta’s first customer of the Sailboat Lift. “I think you’ve got a unique and premium product here, and it’s just a matter of getting the word out for these to be all over Washington and beyond.”
