

FOR IMMEDIATE RELEASE

Ocean Sport Boats to Unveil Exciting New Models at the 2025 Seattle Boat Show

Burlington, WA – Celebrating 20 years of innovation and excellence, Ocean Sport Boats proudly announces the debut of its latest models and significant upgrades to its existing lineup. These exciting advancements will be showcased at the Seattle Boat Show, taking place January 31st – February 8th 2025 at the Lumen Field Event Center, booth C-31.

Ocean Sport Boats invites media and enthusiasts to a special unveiling event on **Thursday, January 31st, at 11:15 AM**, where the brand-new **Ocean Sport 27** and the highly anticipated **Ocean Sport 36** will take center stage. Jarrett Holt, Ocean Sport's Engineering Manager, will lead the presentation, highlighting the innovative features and design enhancements of these remarkable vessels.

Introducing the Ocean Sport 27

The Ocean Sport 27, available with a wide range of outboard power options, is a fully equipped, fish-ready package that continues Ocean Sport's legacy of exceptional offshore fishing capabilities. Designed with both rugged utility and family-friendly features in mind, this boat is engineered to elevate the boating experience:

- **360-Degree Visibility:** The new "Clear View" window package ensures uninterrupted panoramic views from inside the protection of the heated cabin.
- **Spacious Cockpit:** Offers ample below-deck storage and the largest fish holds in the industry.
- **Durable Performance:** Outfitted with rugged, high-performance features, including Seadek flooring, Seakeeper Ride system, Garmin electronics, Burnewiin modular fishing accessories, Hooker Pumps, and Shockwave seating.
- **Refined Interior:** Highlights include Ultra Leather fabrics, a convertible salon settee, a galley and helm on the starboard side, a fully enclosed head with a freshwater shower, a full V-berth with storage, and an additional full-size aft berth. With sleeping accommodations for up to six adults, it's perfect for extended adventures.

Introducing the Ocean Sport 36

The all-new Ocean Sport 36 expands Ocean Sport's tradition of delivering world-class offshore fishing and cruising capabilities with a design that blends robust performance, luxury, and versatility. Featuring cutting-edge technology and enhanced interior and exterior layouts, the Ocean Sport 36 is designed to meet the needs of both serious anglers and family adventurers. Key highlights include:

- **New Propulsion System:** The Ocean Sport 36 offers a twin inboard V-drive configuration alongside the trusted Volvo Penta DPI system. Powered by Yanmar 8LV engines with V-drive transmissions, solid shafts, prop tunnels, and transom-mounted rudders, it delivers reliable and proven performance with ease of maintenance.

- **Larger Cockpit:** Designed to support a range of customization options, the expansive cockpit and under deck storage is ideal for large livewells, Seakeepers, generators, and other essential accessories, offering unmatched flexibility and utility.
- **Luxurious Interior:** Offers a spacious cabin with multiple layout options, incorporating the signature "Clear View" window system for unmatched visibility. With a fully equipped galley to starboard, customers can choose between a traditional athwartship dinette to starboard or the optional u-lounge settee package featuring a second forward-facing Shockwave suspension helm seat, as well as expanded seating and storage solutions.
- **Advanced Technology:** Equipped top-of-the-line propulsion systems and a state-of-the-art Garmin electronics suite, providing full control and navigation capabilities.

Enhancements to the Flagship Ocean Sport 33

In addition to these new models, Ocean Sport Boats will unveil upgrades to the **Ocean Sport 33**, enhancing its already exceptional performance and luxury features. The updated 33' model shares the same new v-drive propulsion system and interior accommodations available on the Ocean Sport 36 ensuring a seamless blend of functionality and comfort.

Ocean Sport Boats continues to lead the industry with its commitment to craftsmanship, performance, and customer satisfaction. Join us at the Seattle Boat Show to experience firsthand why Ocean Sport Boats remains a top choice for discerning boaters.
