

## Basta Boatlifts Introduces the 2x2k Canopy: A Compact Canopy Solution for Personal Watercraft

SEATAC, WA –January 22, 2026

Basta Boatlifts is excited to introduce a new canopy, engineered to fit existing and new Basta double jet ski lifts. The **Double Jet Ski Canopy** features 156 sq ft of coverage to protect your skiffs, jet skis, and kayaks from the harmful effects of the elements. The new canopy design is available in multiple fabric and color options and with Basta's integrated lift design, the frame will be fully supported and secured to the lift.

Now you can enjoy clean, dry and protected jet skis just like your boat with a Basta Double Jet Ski Canopy.

### Key Features and Benefits

- Provides canopy coverage for personal watercraft
- Covers both the lift and catwalk
- Mounts directly to 2x2k legs with no adapters needed
- Height and fore-aft adjustable for customized setup
- Available in multiple colors and material options

### A Canopy Solution for Personal Watercraft

Designed for use with jet ski lifts, this canopy mounts directly to Basta's 2x2k lift legs with no adapters required. The frame provides coverage for both the lift and catwalk, offering more complete protection within a compact footprint.

With approximate frame dimensions of 13' x 12.5', the canopy features both height-adjustable and fore-aft adjustable positioning, allowing for flexibility across a range of installations.

This canopy option is well suited for lakefront properties, marinas, and seasonal storage environments where compact, functional coverage is preferred for personal watercraft.

### **See It in Person at the Seattle Boat Show**

Basta Boatlifts invites attendees to visit our booth in **East Hall #1111**, to see the new canopy in person and learn more about how it can enhance a personal watercraft lift setup.

### **About Basta Boatlifts**

Basta Boatlifts is an industry leader in boat lift technology, offering high-quality, reliable, and durable boat lifts designed to meet the needs of boat owners worldwide. With a commitment to innovation and customer satisfaction, Basta Boatlifts provides cutting-edge solutions for all your boat storage needs.
